### ANNOUNCEMENTS FOR THE FALL

**Get your learners involved in our annual Halloween contest.**  
Look online for details. Enter online.

**Hold a pumpkin-carving or pumpkin-decorating contest in class.**  
See our videos online for child-friendly options and creative jack-o'-lanterns.

**Thanksgiving**  
Thanksgiving is a time of gratitude. Ask learners three things that they are grateful for.

For a history of Thanksgiving, please look online.

**Local government elections**  
A link to a voter's guide is available online. The guide is translated into several languages. Discuss vocabulary with learners, such as "election", "vote", "ballot", "ballot box", "candidates".... Explain who is eligible to vote and what ID is required on voting day.

Find out who is running for mayor in your town or city or district. Create small bios on each candidate or party. What is each candidate campaigning on?

For example, *Vision Vancouver* is campaigning on two issues: improving transit with a Broadway subway, and standing up against Kinder Morgan's plan for a massive increase of oil tankers in Vancouver's waters.

What do your learners feel are the most pressing issues in their community?

**Hold a mock election in your class.**  
Set up a ballot box; create a booth and ballots, etc. Before holding this "election", talk about how to fill in a ballot.

Count the votes after your "election" and decide which candidate wins.

### Reader questions (p. 4)

Ask learners if they think spanking is a good form of discipline. Physical punishment (strapping) is illegal in Canada. Do you know when corporal punishment was abolished in schools? Find the answer online.

### "Getting help with abuse" (p. 4)

Content might not be suitable for younger readers

*The Westcoast Reader* and the Legal Services Society are publishing a series of articles following a fictional woman who has experienced relationship abuse. The first monthly article of this series will appear in the October print edition only. Follow the story online as it develops (November to April).
