B.C. Votes 2017 is about the election process in B.C. — the key dates, the electoral map, the rules for voter eligibility and information about voting in B.C. The photos and drawings carry a lot of the information and I hope, will give meaningful help to our readers. I suggest you spend time looking carefully at the drawings and photos together. Talk about them. There is more on our website and on the Elections BC site to complement this publication. Try the on-line interactive map to find your riding. Watch the *What to expect when you go to vote* video. By the time you get **B.C. Votes 2017** the election will be a hot topic of conversation. I hope you and your learners find this publication interesting and fun.
